**Bringing Football Back to Campus** Alicia M. Cintron, Christine E. Wegner, 2021 Temple University long grappled with a home field disadvantage for its football program The Owls football program a member of the American Athletic Conference AAC in the National Collegiate Athletic Association NCAA has never played on its main campus which is located in the heart of North Philadelphia Pennsylvania Temple has played at Lincoln Financial Field home of the National Football League NFL Eagles since the stadium opened in 2003 Temple s 15 year lease at Lincoln Financial Field was set to expire at the end of 2018 Given the impending lease expiration and potential increase in expenses university officials prepared an initial proposal to develop a 25 000 seat on campus football stadium as an alternative to Lincoln Financial Field But the university needed to ensure the initial proposal plan considered relevant stakeholders as these groups were vital to the fabric and success of the university The Board of Trustees wanted to make sure a community engagement campaign was employed and that the feedback collected would be implemented in the initial plans This case asks students to consider the perspectives of multiple

stakeholders in creating a community relations campaign to garner support for the new stadium *Gridiron Glory* Barry Wilner, Ken Rappoport, 2005-08-17 Consistently ranked among the top ten college football rivalries by fans and pundits alike and often ranked among the top five the annual Army Navy game is the one rivalry that as one commentator has noted stops the most powerful men and women in the world in their tracks for one day a year It is also quite possible that it is the only rivalry to raise over 58 million in war bonds 1944 game have an outcome so contentious that the game had to be suspended for six years by the President 1893 or be played in the Rose Bowl 1983 requiring a military airlift of nine thousand cadets and midshipmen to California But Army Navy is first and foremost about football and as Barry Wilner and Ken Rappoport relate in this engaging history it may be college football in its purest form and not just as a training ground for the NFL Though struggling for national ranking the service academies have done surprisingly well over the years given their recruiting handicap producing five Heisman Trophy winners and a number of national champions The rivalry's most successful player may have been Roger Staubach Heisman winner and Hall of Fame quarterback who led the Dallas Cowboys to two Super Bowls in the 1970s following his four year mandatory service in the U S Navy The Army Navy rivalry is also about traditions and in a concluding chapter on the 2004 game the authors take us through the pageantry the march into the stadium by the student bodies of both schools freshman push ups after each score and the final moving show of sportsmanship following the game as thousands of cadets and midshipmen stand at attention while the alma mater of each school is played by their respective bands A rivalry like no other Army versus Navy receives due recognition in this colorful thorough history
